## WORK EXPERIENCE

---

### Videographer

#### Kingdom Covenant Ministries

📅 July 2021 - Current

📍 Mississauga, ON

- Operates video cameras, on location or in the studio, in the production of professional pre-recorded programming.
- Designs, transports, sets up, and operates production equipment, including audio and lighting equipment, for field and studio productions.
- Computer edits video segments on digital formats.
- Completes trouble and preventive maintenance reports on video and audio production equipment; assists in repair and upkeep of studio and production sets and properties.
- Maintains equipment inventory and field and studio production schedules.
- Performs miscellaneous job-related duties as assigned.

### Warehouse Associate

#### The Brick

📅 July 2019 - March 2020

📍 Mississauga, ON

- Organize stock and merchandise within the warehouse by properly unboxing and storing goods in their designated location
- Maintain accurate records of products that have been stocked and provide management with an accurate representation of all goods shipped and received
- Verify all incoming shipments to be accurate by comparing the invoice to the order and ensure all goods are in excellent condition
- Properly pack items to be shipped according to company standards to ensure they arrive in excellent condition
- Accurately maintain company database including all stock and warehouse items
